OUR LADY QUEEN OF HEAVEN

10-16-20

Dear Families,

Now with the colder weather upon us, it is a great time to curl up with a good book and listen to your child read. Not only will you be increasing your child's reading skills but you will be making some everlasting memories. As a school, the students have already read over a million and a half words! Our goal for each year is 10,000,000 words; it would be exciting to set an even higher goal for this year.

Have a fantastic weekend!

Peace and Grace to your family,

Mrs. Gudelis

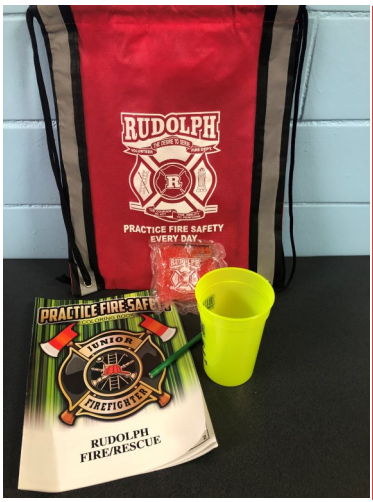
The students will be celebrating Halloween in their classrooms on Thursday, October 29th.

Please DO NOT send costumes. Instead, this will be a Halloween themed dress down day. Students may wear orange, purple, green or other Halloween shirts with jeans or athletic pants.

Fall weather is upon us

The students go outside everyday (weather permitting) They are required to wear jackets, hats and gloves when it is below 50 degrees. Please help to make sure your child is prepared for the weather.

THANK YOU!



Fire Prevention Week - October 4-10

"Serve Up Fire Safety in the Kitchen"

A big thank you to the Rudolph fire department for delivering their "goodie bags" to our school for fire prevention week. Although the students were not able go to the fire station in person, each classroom studied fire prevention throughout the week with books, movies, and other related lessons.
