

RenWeb, Assumption Catholic Schools school management software has updated their website, changing the way parents, students and teachers log in.

Logging into ParentsWeb

Click on the link below or copy and paste into your browsers address window

<https://www.renweb.com/Logins/ParentsWeb-Login.aspx>

You will see the following page:

The screenshot shows the RenWeb ParentsWeb Login page. At the top left is the RenWeb logo with the tagline "Powering School Systems Online" and "Serving schools since 1998." Below the logo is a navigation menu with links: HOME, WHY RENWEB?, DEMOS, TESTIMONIALS, THE COMPETITION, NEWS, SUPPORT, BLOG, and LOGINS. The page title is "RenWeb ParentsWeb Login".

On the left side, there are two tabs: "FACULTYWEB LOGIN" and "PARENTSWEB LOGIN". The "PARENTSWEB LOGIN" tab is selected.

The main form area contains the following fields and buttons:

- District Code: (Callout: "Our District Code is WRACS-WI")
- User Name: (Callout: "Your username is the same as before")
- Password (case-sensitive): (Callout: "Enter your password as before")
- Forgot Password? (link)
- Access type buttons: Parent, Student, Staff (Callout: "Click on your access type")
- Login button (Callout: "Click here or press 'Enter'")
- Create New ParentsWeb Account button (Callout: "If you are new to ParentsWeb, click here to create a new account")

The Create New ParentsWeb Account page looks like this. Enter the email address on file with Assumption Catholic Schools and click "Create Account". An email will be sent to this address with a link to enter further information.

The screenshot shows the "Create New ParentsWeb Account" page. It has the same navigation menu as the login page. The main form area contains the following fields and buttons:

- District Code:
- Email:
- Create Account button
- Back to Login button
