

Dear OLQH Families,

It's hard to believe we have reached the halfway point in the school year and have completed our third grading term, Hex 3. This milestone is a wonderful opportunity to talk with your child about their progress and experiences. If you have any questions, concerns, or commendations, please don't hesitate to reach out to your child's teacher. A strong parent-teacher partnership will help your child finish the school year on a positive note!

Our focus on the virtue of prudence continues. Students are learning that prudence helps them to know what is right according to God's law and to act accordingly.

Here are some ways you can help your children grow in the virtue of prudence:

- Teach them the standards God has revealed through His Word, including the Ten Commandments and the Beatitudes.
- Encourage them to pray when making decisions.
- Remind them to ask, "What would Jesus do?" when they are unsure about what is right or wrong.

Thank you for your continued support in fostering both the academic and spiritual growth of our students.

Blessings,

Ms. Shelley L. Bruley

"And going into the house, they saw the child with Mary his mother, and they fell down and worshiped him. Then, opening their treasures, they offered him gifts, gold, frankincense and myrrh— Matthew 2:11

Dates to Remember

JANUARY

13 – Late Start Monday

Beginning of Hex 4

14 – Children's Mass 9 am (Mrs. Allison)

17 – Report cards come home

Birthday Breakfast (January/July)

All School Rosary 3:10 pm

20 – NO SCHOOL

Music, food, bags, and family fun!

OLQH MUSIC BEAT

January 2025 Edition

Happy New Year, music families! I hope you had a joyful holiday season! I am excited for all the musical adventures ahead in 2025. Here is a glimpse at what the students will be working on this month.

In 4K music it's all about snow, snow, snow! This month we will be singing songs about snowmen, snow, and penguins! We might even sneak in a song or two about elephants too! Ask your child about Melody the Elephant! The children love to sing to her!

In kindergarten music students will focus on preparing to read rhythms through word rhythms, as well as accompany the story "The Snowy Day" with instruments and singing. We will also reinforce the different types of voices we use: singing, shouting, speaking, whispering, etc.

In first grade music the students started clapping the rhythm of the day to reinforce rhythm reading skills. They also learned to create word rhythms and accompany a story called "The Snowy Day" with instruments to create a soundscape.

In second grade music the students continue to improve upon their melodic and rhythm reading skills. We will be working more with playing instruments this month as well.

This month the students will learn "Alleluia! Give the Glory" and "Abba Father" to sing for Masses. We will also talk about our featured composer, Ludwig van Beethoven. He wrote so many famous pieces of music and the students are having fun listening to and playing along with it all!

As always, feel free to reach out if you have any questions or would like more information about what we're working on in class.

January 6th
