

**D. PARENT COST SUMMARY-*Financing Your Child's Education***

The total cost to educate a child in our school system exceeds what is charged for tuition.

Assumption Catholic Schools receives revenue from three sources to cover the cost of education:

<b>1. Tuition &amp; Fees</b>			
<b>2. Supporting Parish Subsidies</b>			
Holy Rosary	Sacred Heart	Our Lady Queen of Heaven	
St. Alexander	St. James	St. Lawrence	St. Joachim
SS Peter & Paul	St. Philip	St. Vincent de Paul	
<p>A majority of each parish's income is used to support Assumption Catholic Schools. This is a tremendous commitment on the part of every parish. Therefore, it is extremely important that families who are benefitting show equal commitment to their respective parish – not just in financial support, but in time and talent, as well. (Mass attendance, ministry, and stewardship/financial contributions)</p>			
<p><b>3. Third Source Funding</b> - Funds raised by our Advancement Office through various events or campaigns such as Royal Fund, Royal Event and Royal Auction.</p>
