Re: **2018 Scholarship Opportunity**

Dear Administrator;

Once again, the Wilderness Sportsmen's Club is offering scholarships to graduating High School Seniors in Wood County. We are offering \$1000 to be equally divided by all qualified high school seniors in Wood County. If we only have one qualified applicant he/she would be awarded the entire \$1000. If we have eight qualified applicants, the \$1000 would be equally divided by all eight applicants. Limit of one recipient per high school.

Please review the attached application form. I would like to reiterate the student must be planning to pursue a degree in the Natural Resources or closely related field. For instance, we believe pursuing a degree as an Urban Forester or Horticulturalist does not meet our specifications. The scholarship committee and the Wilderness Sportsmen's Club will make the final decision

We would like to encourage all eligible applicants to apply as soon as possible. Applications post marked after the due date will not be accepted.

We will also consider offering financial assistance to previous successful applicants already in school on a case by case basis. If this assistance is needed, please contact the Wilderness Sportsmen's Club or Scholarship Committee members listed on the enclosed application.

Sincerely,

Dale Peterson
