News for our week

A Building With Four Walls And Tomorrow Inside

January 24, 2020

Dear Parents,

What happens behind the scenes? We all know what it takes to create great experiences for our children. If we go on vacation, the budgeting and planning are in full force. If we are getting to school on time. Planning starts the night before as you set out clothes and backpacks, and get lunches ready if needed. We as a school also have our own 'behind the scenes' each and every day. To make life great for our students we do much professional development, practice, re-practice (J), planning, budgeting, scheduling, researching, and keeping current on our world today.

Many of our staff go above and beyond taking in as many learning opportunities as they can for the ultimate success for your child. ACS and the individual buildings also work to create the most positive environment for all. Our families can see what we do weekly in our newsletters and Friday Folder inserts relating to report cards, and happenings.

This year, beyond our academics, we are working with Social-Emotional Learning resources, which includes a Bullying Unit. It is through the Second Step program. Homelinks come home where you and your child can discuss what's happening in that capacity. We are also continuing our work with Responsive Classroom. This is a K-5 program, also, that seeps into all parts of our day. We work with our already-trained teachers and our teachers who are training this winter. Our faculty meetings are filled with information from each section of our school day so that communication is clear across the building. Sometimes, our schedules need to change to accommodate our student needs. Flexibility is key throughout the building.

We, as a staff, appreciate all you do for Catholic Schools, especially Assumption Catholic Schools, but very much especially St. Vincent de Paul School. Your support for student, staff, and faculty is needed at all three levels. We believe in you.

I know next week is going to whiz by as we celebrate our Catholic Schools. We hope to see you at the All-ACS Mass on Wednesday or the parent lunch on Thursday.

Peace to you,

Mrs. Fochs

DATES OF INTEREST
