

Dear Families,

8-28-20

The students are so happy to be back and have done a great job wearing their masks and adjusting to new routines. Parents and guardians, you deserve to be very proud of your children. Please do not hesitate to call me or staff members to discuss any concerns. We truly want to work together with families to provide the best education we can for the children and to nurture their spiritual growth. All of us are a light for the world and the hope for the future.

Peace and grace to your family,
Mrs. Gudelis
