San Pio  
da Pietrelcina

This past Wednesday we celebrated the memorial of St. Pius of Pietrelcina, a remarkable saint of the 20th century. Throughout his life, Padre Pio demonstrated remarkable spiritual gifts, including being able to see angels, levitating in his prayer, physically bearing the wounds of Christ in his own hands and feet, reading hearts in confession and bilocating (being in two locations at once). A saintly witness like his shows that heaven and earth are much closer than we usually realize.
