NATIONAL SCHOOL LUNCH WEEK

Thank you Mrs. Rose for making our students outstanding lunches. You keep the bellies full and minds happy and healthy!

The National School Lunch Program (NSLP) serves nearly **30 million** children every school day. President John F. Kennedy created National School Lunch Week (NSLW) in 1962 to promote the importance of a healthy school lunch in a child's life and the impact it has inside and outside of the classroom.
