

THE WEEKLY NEWS

ST. VINCENT DE PAUL SCHOOL

October 23, 2020

Dear Parents,

Congratulations to all students who work so hard to reach their goals with reading and math. Please support your children in reaching goals throughout Hex 2. Make sure to make time for reading and practicing math facts in any manner. If you need ideas on how you can help at home, please reach out to your teachers. They have amazing ideas for you!

Ted Neitzke is a Wisconsin educator who has been a guru of education for many years. He is internationally known and he is from our own state. The teachers had the privilege of having him present to them at the Diocesan level in the last couple of years. He has a podcast titled [Smart Thinking](#). He talks to not only educators, but parents also. Please take a listen to this episode. There are quite a few more like it. Enjoy.

[Episode 141: Parenting Buffalo Style](#) (Reflection and Tools)

What are the qualities of great families? Take a listen as we share our list of ingredients that make up the recipe for a great family.

We continue to grow during this month of October. We have been saying decades of the Rosary, as October is the month of the Rosary.

We have missed Mrs. Kleinschmidt's 3rd grade class this week. They have been learning at home. Music has been a bit different this week also, as Mrs. Erdmann is teaching from home to all her classes. Give a big shout out to them!

Stay safe, stay healthy, and wash your hands. Peace to you and your family,

Mrs. Fochs
