Even though high school athletics activity has been restricted by the coronavirus pandemic, many athletic expenses are still being incurred; such as, maintenance of athletic facilities (gym floors), monthly stipend to Assumption Catholic Schools, etc. Sports athletic fees and athletic event admission revenues are NOT applied to the Athletic Association stipend mentioned above - these revenues go directly to the Assumption Catholic Schools budget.

To support the athletic programs by participating in this drawing, fill out the form at the bottom of this page - verification of your entry will be sent by email or regular mail, if requested.

As always we thank all of our sponsors and participants for their continuing support.

Checks should be made payable to Assumption Athletics; return the form at the bottom of this page and the check to:
