

UPDATE ON ASSUMPTION ATHLETICS SPECTATOR GUIDELINES DURING COVID-19 PANDEMIC & ANNOUNCEMENT OF PARTNERSHIP WITH ZALESKI SPORTS TO LIVESTREAM AHS WINTER ATHLETICS

Dear Royals Fans,

We're so excited to have had a fall sports season at Assumption Middle School and Assumption High School and are looking forward to our Winter Sports Season. As a matter of fact, the Lady Royals Basketball team takes to the court tonight to open their season at Edgar.

As was the case in the fall, guidelines are in place due to COVID-19 that must be followed in order for our student athletes to stay healthy and to continue to have the opportunities to play the sports they love. This includes limitations for spectators in the gym.

Therefore, in alignment with Marawood Conference guidelines as well as guidelines set forth by the WIAA, the following is a summary of spectator limitations and requirements that we intend to enforce for Assumption Athletic events going forward and until further notice:

- **For indoor events at Assumption, a maximum of 4 family members per player will be allowed to attend, at this time. Coaches from each team will coordinate with players to create a list of permitted spectators for each competition. Spectators and players must follow the statewide mask mandate while in attendance.**
- **PLEASE NOTE: Restrictions placed on each athletic event may vary based on the host venue of each competition. Please stay tuned and communicate with your student athlete for more information.**
- **Please be patient with us as we may not learn of changes to specific restrictions until the day of competition. We will do our best to communicate this information through the coaching staff.**
- **For a list of current AHS sports schedules, visit www.assumptioncatholicschools.org/assumption-high-school/general-athletics-information/**
- **If you're looking for the most up to date information on game times, cancellations or postponements, visit www.marawoodconference.org**

There is some **good news** in all of this! Assumption Athletics is proud to partner with Zaleski Sports to bring you livestream action of our home and most away boys and girls basketball games. This is offered to all Royals Fans for viewing at no cost. **Go to www.Zaleskisports.com/live-sports to watch and cheer on our student athletes from the comfort of your home.**

Thank you for your support and Go Royals!

Joe Birkhauser
Assumption Athletic Director
