THE WEEKLY NEWS

ST. VINCENT DE PAUL SCHOOL

March 19, 2021

Dear Families

What an exciting time for us as Catholics. Keep warm thoughts this weekend and your traditions of Lent and Easter at the forefront of your home life. These are the times that kids remember. Christ appears to us through our heart. Let's get our hearts ready for Him.

We welcome back our servers to our Masses. It has been a YEAR! This movement towards bringing us back together makes all of us here at SVDP, who have been doing all we can to keep us safe, a sense of normality.

Also, please spread the word about registration for Assumption Catholic Schools. Many people are on the brink of very important decisions in their children's lives; decisions you have already made with your own children. Help them realize what a Catholic education at Assumption Catholic Schools can do.

Thank you for your ongoing support for what happens in our humble building,

Peace to you,

Mrs. Fochs

Friendly Reminders

- A mask is required when entering the schools and on the bus. Please provide your child with a mask, or two, everyday. There is not a supply of masks to provide daily to the students.
- Water bottles are suggested as the bubblers are turned off and only the bottle filler remains on. Again, there is not a supply to provide bottled water to students on a daily basis.

Thank you for your attention and cooperation to this matter!

ABC's Of Student Success

K Is for Kitchen

Cooking with kids is a great way to spend quality time and teach lifelong skills.

- **Toddlers make simple recipes as they count items and follow a sequence of steps.**
- **Young kids read recipes, follow directions, measure ingredients, and practice safety.**
- **Older children double or divide recipes and help plan for a party.**

Cooking enables parents and children to work cooperatively and share accomplishments. For kid-friendly recipes, click here
