

Royal Parents Annual Plant Sale

New This Year!

In addition to our magnificent individual plants, hanging baskets and planters, we are now offering soil amendments to add to your pots, flower and vegetable gardens, and raised beds!

MDC Activated compost– Made from yard waste such as leaves, grass, wood chips, and some manure. Activated with microbial populations to complete the biologic effect of stable compost. 1 Cu Ft. bags

Vermicast– Adding the rich nutrients of vermicast to any plant will greatly improve the soil in addition to compost. Vermicast includes plant growth stimulators and soil boosters which bind with soil particles. It is a plant Superfood! 1 or 3 gallon options

Vermitea- Soaking one tea bag in a quart of water for several hours brings the nutrients from the vermicast into the water for your plants. Reuse 2 times, add 1/4 tsp sugar to the water to feed microbes.

Contains 12 tea bags
