Dear Assumption Catholic Schools Families,

Our long-standing support for Catholic Education has spanned generations. And we are proud to be a partner with Assumption Catholic Schools. Besides raffle fundraising support, one of the ways we help is providing scholarship grants. We believe ours is one of the best scholarship grant programs around—one of many fraternal benefits available to members of Catholic United Financial. Become a member by buying a qualifying insurance product!

New and Improved Grant Program—Designed for You*

We grant over 400 post-secondary scholarships each year—a total of over \$3 million since 1955. And for the first time, we're expanding our scholarship program to give members the choice of applying for a post-secondary scholarship or a K-12 scholarship! Here are the details:

1 Traditional Post-Secondary Scholarship (must be a member for 2 years before applying). Receive \$300 or \$500 when attending college, or vocational school. Application window is typically from March 1 through April 30. Not available to recipients of the K-12 scholarship.

2 New K-12 Scholarship Option (no minimum length of membership required) Members can apply for the K-12 scholarship during the annual application period. If granted, we pay a \$500 scholarship. Members who apply and are not awarded a K-12 scholarship may apply the following year. Recipients of the K-12 scholarship cannot apply for the post-secondary scholarship.

K-12 Scholarship Option Annual Application Period Extended until June 18, 2021.

*Catholic United Financial reserves the right to modify, suspend or terminate its scholarship programs at any time without notice.
