Dear OLQH Families,

Thank you to all who have already begun volunteering at our school and to those of you have submitted your volunteer paperwork. Your presence makes our school better. All your volunteer work is greatly appreciated!

As a school community we are continuing to learn about our September virtue of faith. You can help nurture your child's faith at home as well. Here are a few ideas you may want to try: share with your child who your favorite saint is and why, share a story about how your faith helped you in a difficult time in your life, pray with your children, go to Mass, and share Bible stories together.

Our Royal Card sale ends September 22. The profits from the Royal Cards are beneficial in supporting many activities. Thank you so much for working hard at selling them.

Happy weekend!

Sincerely,

Ms. Shelley Bruley

## Student Services News

Welcome to a new school year! I look forward to a great partnership between the home and school environment. We all have a part in making this year a success in growing academically, emotionally, and spiritually minded students. I hope you will join me in supporting our school staff and students with a goal of making this year a positive learning environment.

I will be meeting bi-monthly in each K-5 classroom with topics related to social-emotional learning and skills to support each student. Referrals can also be made to my office for one-to-one problem solving and emotional support for students. I would also like to facilitate support groups for students who are struggling with issues related to family changes (divorce/loss in family), anxiety/worry, and organizational skills. Please contact me if your child may benefit from a small group discussion on any of these topics.

Please call or email me if you have concerns or questions to make sure your student starts the year off on a positive note. I am available by phone at (715) 422-0956, or email at [ekuhn@assumptioncatholicschools.org](mailto:ekuhn@assumptioncatholicschools.org)

## MASS DAY

We had our first mass with student servers. They did such a great job!  
Thank you to Deacon Tom for helping train these students.
