Dear OLQH Families,

We have enjoyed another busy week filled with many learning opportunities. It's hard to believe that we are nearing the end of another hex! Hex 2 ends on Friday, November 12. If you have any compliments or concerns about your child's progress, please reach out to your child's teacher. They would be happy to talk with you. Research shows that parent engagement in education has a positive effect on students' academic success. When teachers and parents work together, the results can be powerful!

Our virtue for the month of November is Love for God. Throughout the month, students will learn how Love For God, or Charity, is a gift from God, placed or infused in our souls at Baptism, that gives us the strength to love the Lord Our God as the sovereign good, and purely for His own sake. Students will also learn how sacrifice and gratitude can help strengthen our Love For God.

May the goodness of the Lord fill your life and home this weekend.

Sincerely,

Ms. Shelley Bruley
