Dear OLQH Families,

I hope that all of you had a wonderful Thanksgiving and enjoyed some time off. I hope that you were able to spend some time with loved ones, practice gratitude, and have fun!

Preparations are underway for the OLQH Christmas Concert. The concert has been rescheduled for January 11, 2022. It will begin at 6:30 pm. More specific details will be provided as the performance date draws closer.

Our virtue for the month of November is humility. Throughout the month of December, students will learn how humility is the strength to put God and others before ourselves. Students will learn how meekness (the strength to restrain anger and discouragement in the midst of adversity enabling a person to do good in response to evil) and silence (the strength that disposes the soul to converse continually with God) can help build humility.

May the goodness of the Lord fill your life and home this weekend.

Sincerely,
Ms. Shelley Bruley

Title 1 Reading Students and Families

This trimester has been exciting and I enjoy watching the children learn and grow. If your child is participating in Title 1 Reading, it is a requirement that they are reading their books at home. We have class on Tuesday afternoons and Thursday mornings. Report cards are being sent home in the reading bags this week. Please sign and return the envelope and keep the report card at home. If you have questions please feel free to email me.

Thank you for your support, Mrs. Dusso amanda.dusso@wrps.net

We are collecting cash donations in order to give Christmas gifts to Father Levi, Father Guanella, and Deacon Tom. If you would like to contribute to our collection, please send your donation in an envelope marked "Father's Christmas" to the school office by Friday, December 17th. Thank You!

Thank you!

Thank you to all the students and families who participated in the Thanksgiving food drive. Together, we collected over 200 items which were dispersed between the Rapids Family Backpacks and SWEPS food pantry.

What grade do you teach? How long have you been teaching?

This is my 15th year of teaching, my 8th year at OLQH. I especially love first grade because it is such an amazing year of growth for students. It is so fun to be part of that.

What is your favorite thing about teaching at OLQH?

I love being part of this team! We have been blessed with incredible students, families and staff!

What are 3 words you would use to describe OLQH?

Blessed, Loving, and Fun

What is one food you cannot resist?

Dark Chocolate

Where is your favorite place to be?

I love to be at our cabin in Hatfield with my family (My husband Brandon and our four kids, Maggie 18, Alex 16, Aaron 14 and Addy 12). Our extended family camps too so every week end is like a small family reunion! We kayak, hike, play and RELAX together.

If you could choose anyone, who would be your mentor?

Monsignor Joe Hirsh- He has a beautiful way of showing who Christ is.

What is something you learned in the last week?

Reindeer can smell moss that is buried two feet under the snow.

When you have 30 minutes of free time, how do you pass the time?

My husband and I have a cup of coffee together and talk.

Tell us something that might surprise us about you?

Our family has rental properties so I can often be spotted in Menards or the Home Depot half-covered in paint from recent projects.

Where is the best place you've traveled to and why?

I went to Italy with Brandon on our honeymoon. The people were friendly and the weather was great. It was really neat being in a place filled with such history and the history of our Church.
