Assumption 6th grader Owen Reynolds is competing at the youth wrestling State Tournament held at the Alliant Energy Center in Madison this Friday, March 25.

He qualified for state at the Kids Folkstyle Wrestling State Championship held last weekend.

Owen Reynolds is one of only 24 kids in the State in his weight (85lb)/age bracket who earned the opportunity to compete. Good luck, Owen!

Spring Break is an opportunity for our students to spend a week relaxing, laughing, playing and spending time with their friends and family. Let's pray that all of our ACS families have a safe, fun-filled Spring Break, and our students return to school rejuvenated and ready to tackle the remaining busy months of the school year.

**Enjoy your week off!!!!**
