## April 14th, 2022

### A MESSAGE FROM MRS. FOCHS

Dear Royal Heroes,

Thank you for doing all you can to keep our school safe and a strong instructional zone. It has been awesome to see all the students reaching their goals for Hex 5. The last hex will begin on our return next Tuesday and we are all looking to end our year with the equivalent of fireworks! Please make sure to keep the cover page of our permission slips on hand. The permissions slips for the month of May are all included in this Friday Folder. Please sign and return them so your child doesn't miss out on any of the awesome experiences. You, as a volunteer and as audience, are welcome at many of the opportunities, don't miss out!

Can you believe our ABC Countdown will be starting next Friday! We are all beyond excited that we have been in school learning all we can for the entire year. Again, thank you for all you do at home to keep us safe at school.

Have a blessed Easter with those you love.

Peace to you,

*Mrs. Fochs*

HEART  
CHALLENGE™**

Dear St. Vincent de Paul Parents and Guardians,

Our students are participating in our annual **American Heart Association's "KIDS HEART CHALLENGE."** This is a wonderful opportunity to do fundraising to help individuals who suffer from heart disease and disorders. In March 18th's Friday folder you should have found a handout with detailed information. **Our School goal is to reach \$1,500.00**, which we have been able to reach in years past. I am hoping for 100% participation in this year's important event. The deadline and collection date for this fundraiser is **Tuesday, April 19th, 2022**. I hope to see many returned forms then. Your generosity is greatly appreciated. Thank you so much for being a St. Vincent de Paul Heart Hero!

Mrs. Reinke, St. Vincent de Paul, Physical Education Teacher.

**We have raised \$383 of our \$1,500 goal!**
