

2022-2023

Welcome Information for Students and Parents

Dear Family of the greatest kids in the world!

We want to welcome you to St. Vincent de Paul for the 2022-2023 school year. We are committed to making this school year a remarkable one for your child and family. Please know that if you ever have a question, concern, or would just like to catch up on school happenings, you can always reach us at 715-422-0960.

[A Royal Rising-Wednesday, August 17, 4:00-6:00](#)

We are looking forward to having as many families participate as possible. Please look over the attached information, and mark these dates on your calendar.

The Parent/Student Royal Rising orientation is for all students and parents at St. Vincent de Paul School. Participating in this experience will help ease the transition to our new and existing processes. Families will be with Mrs. Fochs and Mrs. Kuhn in the church from 4:30-5:00 discussing important school items for the new year. The parent information that will be shared is important to start the new school year safely and with excitement.

Many great things are going to be happening while we learn and grow this year. We will continue our mentor program and offer challenges to encourage students to reach their math and reading goals. Who said we want things to go back to normal? We plan on it being better than normal.

We are all looking forward to spending this new school year together. The strong relationships we form today will help to make our children a successful and kind generation of tomorrow. So proud to be a part of this journey with you!

Peace to you,

Mrs. Pamela Fochs

Mission: To inspire excellence and personal growth grounded in Catholic principles and traditions
