

ASSUMPTION MIDDLE SCHOOL/High School (6-12)

MS/HS

Over the past couple of months we have been preparing for the new school year.

We have hired a new Choir, High School Religion and Middle School teachers. We are very excited about these hires and believe these hires will be a great addition to the Assumption community.

At the start of the summer we had a group of teachers and students that came together to review the middle and high school handbooks. Pieces of the handbook were adjusted throughout the meeting. These were not large changes but minimal changes to help the school adjust to any issues we saw throughout last school year.

We are taking more security measures to ensure the safety of the building. We met as an administration team to discuss issues that we see and how we could fix some of these concerns.

The Campus Ministry team has been working hard to prepare for a fundraising event on August 14th to celebrate the Feast of the Assumption and kick off the school year with a community event.

In late July Campus Ministry took 23 people to a Steubenville conference in Rochester MN. This trip was a great success and was an amazing opportunity for many of our youth.

Throughout the next few weeks the teachers will begin to prepare for the upcoming school year. Classrooms will be prepared, students will be receiving their schedules, and both students and teachers will begin to get back into the routine of school. We will look at testing data from last year and look at areas of improvement. This will help guide our teachers in where the school needs to go both spiritually and academically.
