Dear OLQH Families,

It is encouraging to see so many participants sign up for our upcoming Parent Teacher Conferences. Our teachers are looking forward to talking with you. A strong parent-teacher partnership can help your child be more successful in school. Together we can do great things for our children!

Did you know that each month of has a special Catholic dedication, and the month of October is dedicated to the Rosary? The Rosary is a powerful prayer given to us by Mary herself. We have been asked by our Heavenly Mother to pray this prayer. Praying the Rosary allows us to meditate on the mysteries of Jesus's Life, Death and Resurrection so that we may draw closer to Him. Praying a Rosary at home is a perfect opportunity to spend time in prayer with your children.

Our virtue for the month of October is hope. Throughout the month, students will learn how hope is a gift from God that gives us the strength to firmly trust that God will give us the endless happiness of Heaven and the means to obtain it, if we do what He requires of us. Wishing you a beautiful and blessed weekend!

Sincerely,  
Ms. Shelley Bruley
