# CIRCUMSPECTION

“LOOK AROUND AND ASK WHAT IF?”

## DEFINITION

This week our strength building on the virtue of PRUDENCE is CIRCUMSPECTION

**The strength to carefully consider all circumstances and possible consequences.**

If you are circumspect, you think carefully before doing or saying anything.

It implies a desire to avoid mistakes and bad consequences.

It enables one to look around and see how our action may impact others.

## EXAMPLES OF BEING CIRCUMSPECT

Look both ways before you cross the street.

A common phrase you might hear when building something is, “Measure twice, cut once.”

Double-check your work before you hand it in or click send.

Make sure you pick up all your stuff and throw away your trash so you leave a place better than you found it.

Saying, “Excuse me” after a sneeze, walking in front of someone or any other type of disruption.

## RESOLUTION

Make good use of your time. Pick one way you can use your time better this week and act on it.

The brevity of life reminds us to be circumspect.  
We all have the same 24 hours in a day.

We can carefully use that time to do good. Seize opportunities. Serve God. And minister to the needs of others.

Or we can waste it with poor planning.  
Inefficiency. Constantly checking our iPhones.  
Surfing the internet. Watching TV. Posting foolishness on social media. Or just plain laziness.

**Matthew 18: 1-7**

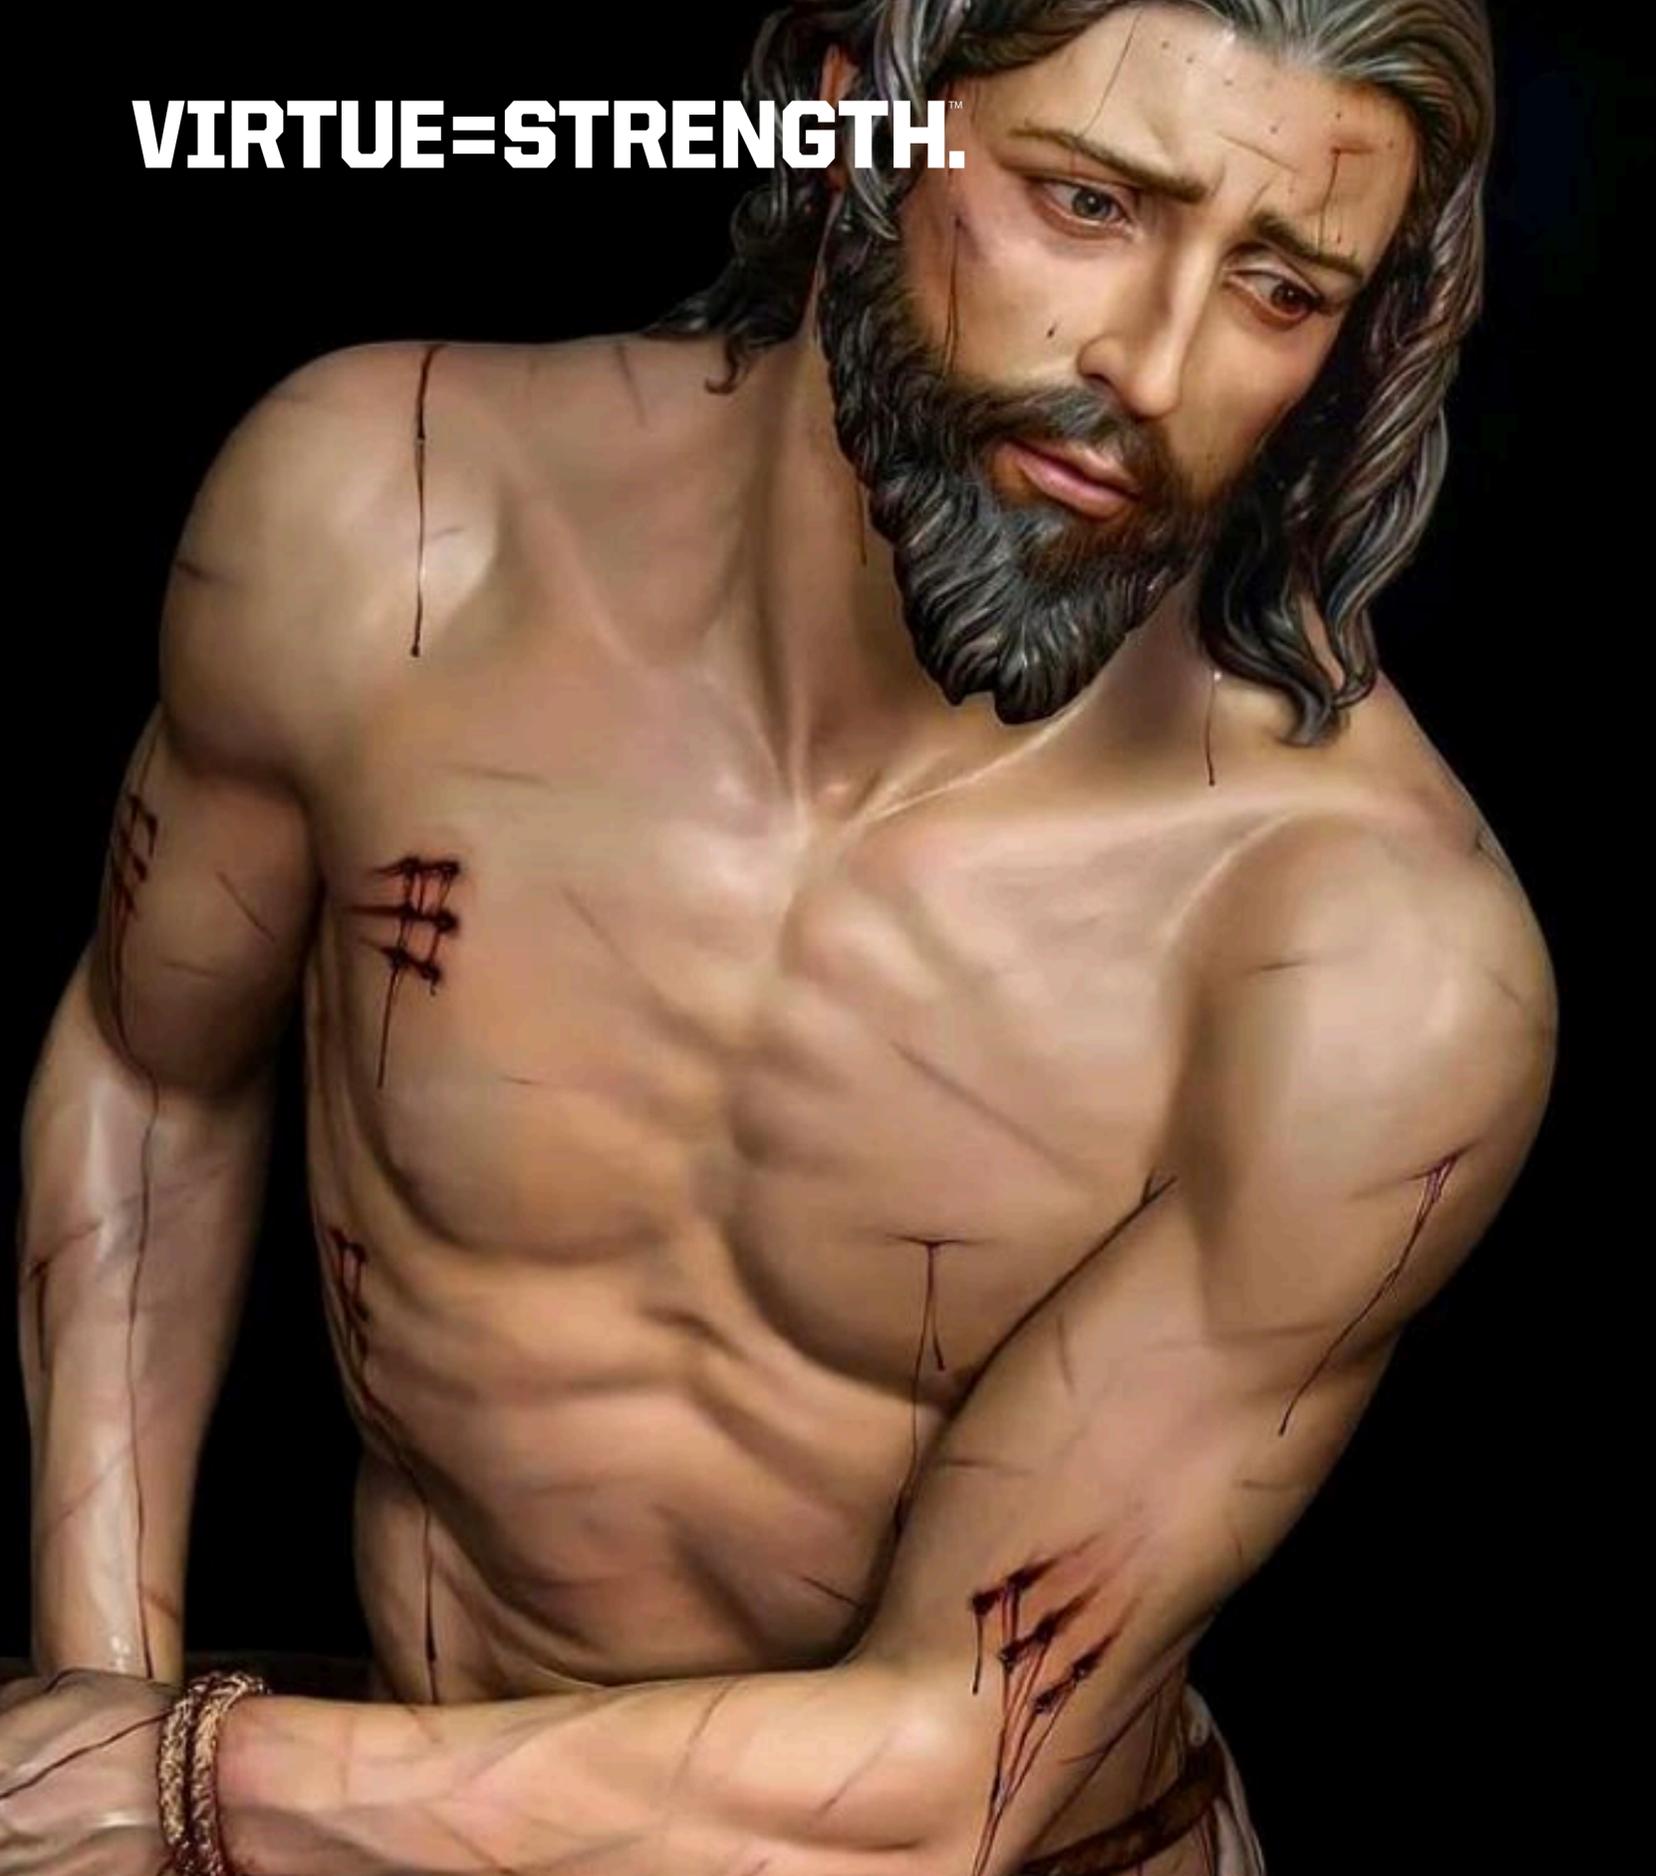

At that time the disciples came to Jesus and asked, "Who is the greatest in the kingdom of heaven?" He called a child, whom he put among them, and said, "Truly I tell you, unless you change and become like children, you will never enter the kingdom of heaven.

Whoever becomes humble like this child is the greatest in the kingdom of heaven. Whoever welcomes one such child in my name welcomes me.

"If any of you put a stumbling block before one of these little ones who believe in me, it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea.

Woe to the world because of stumbling blocks! Occasions for stumbling are bound to come, but woe to the one by whom the stumbling block comes!

# CARELESSNESS

The weakness of failing to give sufficient attention to danger, errors or acting correctly.

## STEPS TO OVERCOME CARELESSNESS

Find out why you made the mistake. Think back to the moment of the mistake to determine the cause.

Look for patterns so you can prioritize issues you need to address.

Get everything you need together before you start on something.

SLOW DOWN. Give yourself enough time so you don't have to rush.

Double-Check your work, your schedule or your lists.

Set reminders or ask others to help you remember.
