Assumption Athletics

Lots of exciting athletic events and opportunities here at Assumption.

#1. It had been MANY years since we hosted a wrestling event here at Assumption and last week Friday we did just that. (In case you didn't know Assumption MS & HS co-op with Nekoosa for wrestling). The event was well attended. All of our Assumption wrestlers had a successful season and for the first time ever, we had 2 Assumption HS girls (Emily Fisher and Grace Dolan) qualify for the State Tournament.

#2. Our Lady Royals take to the court again tonight at 7pm as they continue Regional play, looking to make another run at the State Tournament. And our boys continue their regular season play with a game tonight at 4:30pm.

#3. Assumption's Flag Football Registration is now open. See flyer attached.

#4. Assumption's Spring Sport Registration is now open. See flyer attached to sign up for baseball, softball or track. Also, if you are interested in coaching, those opportunities are available as well.

As you all know, with the 2 snow days called this week, we have officially used up all of our banked snow days and had to utilize our at home school day packet #1.

We want to commend our students for remembering to complete their school snow day packet and turn it into the office right away this morning. Only 7 of our 115 students "forgot" to complete their work. Students who did not complete the packet are marked absent unexcused for the day and will receive zeros for each assignment they did not complete. As a reminder: No late snow day school work is accepted, so it is very important that students remember to complete and return their packet in a timely manner.
