

# ASSUMPTION CATHOLIC SCHOOLS ROYAL PARENTS

## CALLING ALL PARENTS

At Assumption Catholic Schools, every parent, guardian, and caregiver makes a difference in the lives of our students. The Royal Parents Association (RPA) is an organization that gives parents a voice to support their students and schools and opportunities to be a part of the school community.

Royal Parents Association (RPA) is similar to a traditional PTA. RPA purpose is to provide resources that benefit and enhance the mission of Assumption Catholic Schools. We actively support the schools by working cooperatively with parents, faculty, and administration to support programs and school functions.

### What do we do?

- provide staff an opportunity to request funds for various school and classroom activities (field trips, transportation to events, Christmas/Easter hams for staff, Night at the Rafters, family literacy nights, end of the year celebrations, treats and rewards for our wonderful Stay Smart program, etc.)
- organize multiple fundraising activities and volunteer opportunities such as the used 'dress code' clothing sales, flower sales, butter braid sales, spirit wear sales, and BINGO events throughout the school year
- work with school staff to plan and coordinate teacher appreciation week, Catholic Schools week, coin challenges and food drives for our community shelters, and other fun events or goodie bags for the students

### When do we meet?

- **1st Wednesday of every month** during the school year
- Assumption High School students are available to hang out and supervise littles

### How you can be involved?

- sign up to be a president, vice president, secretary, or treasurer (3 yr commitment)
- sign up to be a school representative (year long commitment) or classroom representative for OLQH or SVDP (this can be a monthly commitment or year long)
- volunteer your time in the schools and classrooms and attend meetings whenever you're available by signing up on the backside of this sheet or complete this online form [LINK](#)
