Dear OLQH Families,

All of our students seem to have adjusted very well to their new classrooms and our hallways are full of happy, smiling children! If you have any compliments or concerns as we continue through this school year, please reach out to your child's teacher. They are happy to talk with you!

Catechesis of the Good Shepherd (CGS) began this week. CGS is a reflective-based program of religious formation that helps a child to further develop his/her relationship with God in a sacred space known as the Atrium. Thank you to our CGS teachers, aides, and to all who help provide this faith formation opportunity for our students!

As we enter the fall season, please remember that your children will be playing outside every day, weather permitting. As the weather gets cooler, jackets and coats will be necessary for your child to bring to school. Thank you for assisting us in making sure that our students come properly dressed for the weather.

May God's blessing be upon you and your family today and always,
Ms. Shelley Bruley

"Come to me, all who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from, for I am gentle in heart, and you will find rest for your souls." - Matthew 11 28-30
