Welcome Mr. Ulrich!

Mr. Ulrich is teaching 6th grade Science & STEM and 7th grade Technology & Vocabulary.

Where did you work before this, how did you find Assumption?

“Originally worked at Stevens Point Christian Academy, which is a private school in Point. I knew Assumption was in the area and I was looking to switch things up a little bit, a little closer to home seemed like a logical choice because I didn’t really want to go to teach at a public school.”

If you were on a desert island either for longevity or to escape, what would you bring?

“A roll of duct tape, always have to have a roll of duct tape, a sturdy pole to sharpen, and a multi-tool.”

Welcome Mrs. Bilderback!

Mrs. Bilderback is working in the MS Student Services Department.

What has been your favorite part about working at Assumption?

“I was teaching at a public school and I wanted God to be a bigger part of my life, I love going to mass.”

“The masses are my favorite part along with the kids and the people.”

If you were on a desert island either for longevity or to escape, what would you bring?

“A Bible, a lifetime supply of seeds to plant (I love gardening) and clean drinking water.”

Welcome Mr. Keen!

Mr. Keen is our new head cook at Assumption MS & HS.

What brought you to Assumption?

“The job opening and Assumption is 100 yards from my house, so the commute is quick”

What would people be surprised to know about you?

“I’m a huge nerd.” “I probably have over \$3,000 invested into board games.”

What would you take on a desert island?

“Exliberius: A game where you build a library, my dog, the only thing that likes me, and a book, “Icwind by R.A. Salvator”

What is something that you can cook perfectly every time?

“Korean Beef Bowl”

Best and Worst Part of your Job?

“Best: Cooking for people, and Worst: never enough hands/helpers”
