Dear OLQH Families,

School is in full swing and our students are busy learning new information, participating in weekly Mass, and making new friends. Our students are growing their literacy skills through our school wide *Superkids Reading Program*. I can say without hesitation that the best way to become a better reader is to spend time reading. Reading at home can make a huge difference! Family time is so important...Why not make reading part of this valuable time? Here are some tips for integrating reading into your daily family activities: - Read bedtime stories. - Play a board game. - Visit your local library. - Read a recipe and cook something yummy together! - Create a comfy reading space in your home. - Put your child in charge of reading the grocery list at the store.

Our Royal Card sale ends September 22. The profits from the sale of Royal Cards supports many activities that benefit our school children. Thank you so much for working hard at selling them.

Our virtue for the month of September is faith. Throughout the month, students will learn that the virtue of faith is a gift from God that gives us the strength to love and obey Him, and to believe in Him.

Wishing God's best for you,
Ms. Shelley Bruley

"Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger; for the anger of man does not produce the righteousness of God." - James 1:19-20
