A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

September 8, 2023

Dear Parents,

We can all thank God for such a wonderful beginning of the second week of school this year. The weather was beautiful, the children and staff were excited to be here, and we all had a successful time. We are beginning another year of shared responsibility in building Catholic values and educational skills in the young people God has placed in our care.

The unique partnership developed between parents and school staff has been a fundamental reason for the success of our school program. We appreciate your ideas and your support. As role models for our students, you are far more important to the learning inside the school than you may have realized.

We adults are "on stage" much of the time, and the way we respond to a situation certainly affects our children. How do we react when another driver cuts in front of our car? What do we do or say when we are delayed in the grocery store check-out line? Do we take responsibility for our mistakes? Does our language, when we talk to or about others, reflect the love Christ expects of us?

As we enter and leave through our doors each morning and afternoon, we make sure to take the blessing of being able to be together another day. God is good, all the time.

Enjoy the weekend with friends and family. Stay safe, stay healthy, and stay kind. Peace to you,

Mrs. Fochs
