Dear OLQH Families,

It is encouraging to see so many participants sign up for our upcoming Parent Teacher Conferences. Our teachers are looking forward to talking with you! A strong parent-teacher partnership can help your child be more successful in school. Together we can do great things for our children!

As October continues, so does our study of the virtue of hope. Hope is a very important gift to share with children. Hope helps us desire happiness in God. Below are some ways for families and others to share hope with children:

- Let children know that our God will always be with us-in good times and in bad.
- Find ways to bring hope to the lives of others. For example, have children draw a picture, or make a card to mail to a grandparent or elderly family member.
- Pray together for people who are suffering from illness, living in poverty, or are victims of injustice.
- Remind children to ask for God’s help when something doesn’t go right.
- Let children see you find joy in even the most mundane tasks.

Wishing you a beautiful and blessed weekend!

Sincerely,

Ms. Shelley Bruley
