Dear OLQH Families,

As we get further into the school year, I would like to remind you of the importance of good attendance for all students. Did you know that every day a student is absent is a lost opportunity for learning? Too many absences not only can affect achievement for the absent student but also can disrupt learning for the entire class.

What you can do:

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Avoid scheduling vacations when school is in session.
- Talk about the importance of regular attendance and about how your child feels about school.
- If your child seems anxious about going to school, talk to teachers, school counselors, or other parents for advice on how to make him/her feel comfortable and excited about learning.
- Avoid medical appointments when school is in session.
- Don't permit missing school unless your child is truly sick. Use a thermometer to check for a fever. Remember that stomach aches and headaches may be signs of anxiety.
- Develop back up plans for getting to school if something comes up. Ask a family member, neighbor or another parent for help.

Thank you for all you do to support your child's school success and well-being, as well as our school!

Wishing you a wonderful weekend, filled with God's love, fun, and happiness.

Sincerely,

Ms. Shelley Bruley
