### A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

October 20, 2023

Dear Families,

Congratulations to all students who work so hard to reach their goals with reading and math. Please support your children in reaching goals throughout Hex 2. Make sure to make time for reading and practicing math facts in any manner. If you need ideas on how you can help at home, please reach out to your teachers. They have amazing ideas for you!

We continue to grow during this month of October. We have been saying decades of the Rosary, as October is the month of the Rosary. Please continue to pray at home and send in the rosary log. 500 rosaries is our goal.

I'd like to address the importance of the student planner. It's a place for homework, due dates of projects and assignments, dates of tests, and any other communication to and from school. An example would be how your child is getting home from school. Thank you for participating in Parent/Teacher Conferences these past two weeks. Please know that you can reach out at any time to talk with teaching or office staff to help your child be successful.

As we enter and leave through our doors each morning and afternoon, we make sure to take the blessing of being able to be together another day. God is good, all the time.

Enjoy the weekend with friends and family. Stay safe, stay healthy, and stay kind.

Mrs. Fochs
