A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

October 27, 2023

Hello Royals,

There is something crazy going on. I think we are beginning the holiday season. We can all feel the emotions as the excitement commences. I have included information on the Nine Tools of Civility-Speak Your Peace.

Halloween will be celebrated this week in the cafeteria. Thank you to Mrs. Breidel and the Student Council for planning the activities on Tuesday afternoon. Please be careful this weekend as all those things that go 'bump' in the night are tricking and treating. We need our students back in the classrooms on Monday ready to learn.

All Saints Day is on Wednesday. It is a Mass day and all are welcome to join us on this Holy Day of Obligation. There have been quite a few saint projects being completed. Thank you for having the discussion with our 'saints in the making' about what it takes.

Please be sure to check out Parent's Web on Facts. Even though we just had Parent/Teacher Conferences, Hex 2 is well underway. New goals to reach. Instruction is happening and we appreciate your assistance on the home front.

As we enter and leave through our doors each morning and afternoon, we make sure to take the blessing of being able to be together another day. God is good, all the time.

Enjoy the weekend with friends and family. Stay safe, stay healthy, and stay kind.

Mrs. Fochs

MANNERS ANYONE?

To culminate our social studies lesson on Table Manners and Restaurant Etiquette, the third graders dined at Grace's restaurant where the children practiced those appropriate manners. The children were very well behaved and the Oreo Pancakes were a big hit! Mrs. Wasshausen and the students would like to thank Virginio and Kelly Munguia, and the staff at Grace's for their generosity and participation in this real life experience.
