A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

October 5, 2023

Dear Families,

Happy Fall! October stories and prayers will be all about Mary and the Rosary. The children have come a long way in memorizing the Hail Mary prayer. Attending and participating in Mass during the weekend with your family is very important. Please continue to be a strong part of your parish. They need you.

Parent/Teacher conferences are coming up. A Sign Up Genius link will be shared through email and the QR code is in this newsletter, so sign up for a time that is convenient for you.

We are well into our fall weather—meaning that the weather one day is totally different from weather the next day (or even from morning to afternoon for that matter). Please dress your child accordingly each day. It is a very good idea to label all clothing.

Thank you for your support with Royal Cards. Each school receives funds from this endeavor. We use the funds for future field trips, technology, and programs throughout the year.

As we enter and leave through our doors each morning and afternoon, we make sure to take the blessing of being able to be together another day. God is good, all the time.

Enjoy the weekend with friends and family. Stay safe, stay healthy, and stay kind.

Mrs. Fochs

October is Bullying Prevention month. To further help our school be a safe and respectful place, we implement the Second Step Bullying Prevention program in grades K-5. In the lessons, your child will learn specific skills to help stop bullying.

Students will learn how to:

- Recognize when bullying is happening
- Report bullying to a caring adult
- Refuse to let bullying happen to themselves or others
- Be a bystander who stands up and is part of the solution to bullying

If you are interested in additional resources, please contact Beth Kuhn, school social worker, at ekuhn@assumptioncatholicschools.org

Helping Kids
Get Organized

- ▶ Organization is important for everyone. Talk with your child about how you organize things and how he or she can become organized.
- ▶ Provide materials -- such as an assignment log, notebooks, folders, a calendar, and other tools -- that can get your child organized.
- ▶ When your child is presented with a large task, help them break it into small ones and establish a plan and deadlines for each task.

Battle of the Books

4th & 5th Grade Teams

The statewide Battle of the Books program is designed to promote a love of reading among our students. It encourages students to read a variety of books and remember information about the plots, characters, and settings of the books. It is a fun, academic-based competition that has been very successful in school districts throughout the state in encouraging students to read.
