Don't forget to set your clocks back from sunshine and happiness to darkness and glum this weekend.

Friday Nov. 10 Assumption High School will be hosting the annual Veteran's Day Ceremony for Wood County in the gym. This year the county will be dedicating Legacy Stones and 17 names for the Sheriffs Wall.

Local veterans and the public are invited to attend along with various media outlets.

This event is typically held at East Junior High but the committee reached out this year to ask if Assumption High School would host this event.

We are very pleased to have been given the opportunity to host this event and show our students the importance of preserving the memory and honoring veterans of war.
