Dear OLQH Families,

We have enjoyed another busy week filled with many learning opportunities. It's hard to believe that we are nearing the end of another hex! Hex 2 ends on Friday, November 17. If you have any compliments or concerns about your child's progress, please reach out to your child's teacher. They would be happy to talk with you. Research shows that collaboration between teachers and parents can have a positive impact on the academic success of students. When teachers and parents work together, the results can be powerful!

Our virtue for the month of November is Love for God. Throughout the month, students will learn how Love for God, or Charity, is a gift from God, placed or infused in our souls at baptism, that gives us the strength to love the Lord Our God as the sovereign good, and purely for His own sake. Students will also learn how they can grow in their Love for God by taking time daily to pray and thank God for all the blessings He has given them.

Wishing you a blessed and lovely weekend,  
Ms. Shelley Bruley
