### A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

November 17, 2023

Dear Parents/Guardians,

We'd like to welcome the Poisson family to SVDP. Thank you for choosing Assumption Catholic Schools.

Next week is a 2-day week with report cards coming home on Tuesday. So many students made their reading and math goals again this hex. Isn't that wonderful?

We are asking for your help at home with some confidence and information giving strategies. We are having students come in saying that "my mom/dad/caregiver said I need to call home if I don't feel good yet." Our issue is that if they are already not feeling well in the morning, they should stay home. There are times we get visits in the office when the student gets to a certain point in the day where they don't want to partake in their current activity. Please work on letting your child know to relay the symptoms honestly and clearly...we get I don't know quite often.

As we enter and leave through our doors each morning and afternoon, we make sure to take the blessing of being able to be together another day.

Enjoy the weekend with friends and family. Stay safe, stay healthy, and stay kind.

Mrs. Fochs

#### Dates of Interest

- 11/20 Fall Dress Down Day  
Hex 3 Begins  
The Story of Fatima Program  
11:00-11:30. All are welcome

Students and staff who are feeling ill

# Thanksgiving Food Drive

# 2023

Thank you family and friends for joining in on this year's Thanksgiving Food Drive. Your generosity is appreciated by those who are 'quite without' this year. We are blessed that you are a part of our Royal family.

The photo thermometers behind the students do not reflect the total items collected as of the publishing of this newsletter. We all have a feeling that at the end of the day...something is going to happen.

The 5th grade were challenged by Mrs. Borgen to try some pickled beets! The beets are her favorite vegetable and she brought some to school to share with students and staff. Mrs. Borgen told the 5th grade she would donate 2 nonperishable food items to the food drive in the name of the 5th grade for every student that tried the beets. Kudos to all those who tried and were able to grow the food count for our cause. Thank you for sharing, Mrs. Borgen.

try IT!
