

01/12/2024

Dear OLQH Families,

It's hard to believe that we have reached the halfway point in the school year and have finished our third grading term, Hex 3. Now is a good time to talk with your child about how the school year is going. If you have any questions, concerns, or commendations, please feel free to contact your child's teacher. A strong parent-teacher partnership will help your child finish this school year strong!

Our study on the virtue of prudence continues. Students are learning that prudence enables them to know what is right according to God's law and how to do what is right.

Here are some practices to help your children grow in the virtue of prudence:

- Teach your children the standards God has already revealed through His word including those found in The Ten Commandments and Beatitudes.
- Teach your children to pray when making decisions.
- When your children are not certain whether something is right or wrong encourage them to ask "What would Jesus do if He were here?"

May God surround you with His love today and always,

Ms. Shelley Bruley

"Let your eyes look directly forward, and your gaze be straight before you. Ponder the path of your feet; then all your ways will be sure. Do not swerve to the right or to the left; turn your foot away from evil." - Proverbs 4:25-27

Dates to Remember
