Dear OLQH Families,

National Catholic Schools Week 2024 begins Sunday, January 28, 2024, and runs through Saturday, February 3, 2024. The national theme for the week is “United in Faith and Community”. Please refer to the OLQH Catholic Schools Week Calendar of Events 2024 (included in this week’s Friday folder) for all the details. Kindly tell your friends and families about the wonderful academic, spiritual, and extracurricular opportunities our Catholic schools have to offer. Thank you for your trust in choosing Assumption Catholic Schools to assist you in the education of your children. We are happy to continue to work in partnership with you!

I want to commend our teachers, staff, and students for working so hard to live out our mission statement; to inspire excellence and personal growth grounded in Catholic principles and tradition. Every day I see examples of our teachers, staff, and students showing excellence in their choices, excellence in their teaching and learning, and growing in their faith. OLQH School is a wonderful place to be!

May the goodness of the Lord fill your life and home this weekend,
Ms. Shelley Bruley

OLQH Music Beat

January 2024

December was a busy month in our music classroom! The students worked very hard on their Christmas concert music and the concert was a huge success! The students were fantastic! We spent the rest of the month enjoying Christmas-themed music activities. The students did rhythmic and steady beat play-alongs, sing-alongs, and movement activities to some familiar Christmas songs, as well as play fun games like Movie Music Bingo.

Our composer of the month was Tchaikovsky. We had fun listening to music from "The Nutcracker." The second graders also got to explore a "Nutcracker" virtual room and watched various excerpts from the ballet. We also listened to an excerpt of his "Sleeping Beauty" ballet and the "1812 Overture" with real cannons! Tchaikovsky's music was fun to explore!

This month, we will study music by Johann Sebastian Bach. Did you know that Bach had 20 children? Wow! Through his music the students will explore steady beat, rhythm, movement, form, the instruments of the orchestra, and the Baroque era.

For Mass music, the students have started learning a song called "Abba! Father" that sings about how we should be more like Jesus and let God "mold us". Lent is just around the corner and the students will learn some songs to sing during that holy season.
