# What's Jammin' in Gym?

January 2024 Edition

It is hard to believe we have started Hex 4 already. The students are still learning the importance of following directions, trying their best, being respectful and promoting teamwork. Ask your students to tell you about St. Sebastian, and have your student recite the St. Sebastian prayer, as this is the prayer we recite before the start of each physical education class. At the end of physical education class, we all take part in a Good-bye Candace, as a reminder that we are all athletes and put forth our best effort in class.

We have been having a lot of fun when the Riverkings join us for class, the team brings an exciting twist to class. The students have been engaged in a wide variety of activities to show the importance of physical activity and teamwork.

During the month of December, the students had fun with all games Christmas. Rudolph Tag, hands down, was the student's favorite Christmas game. January is all about the Winter Olympic Games. Ask your student to tell you what their favorite Olympic Winter Sport was. They also learned some interesting pieces of Olympic trivia as well.

**Trivia -**

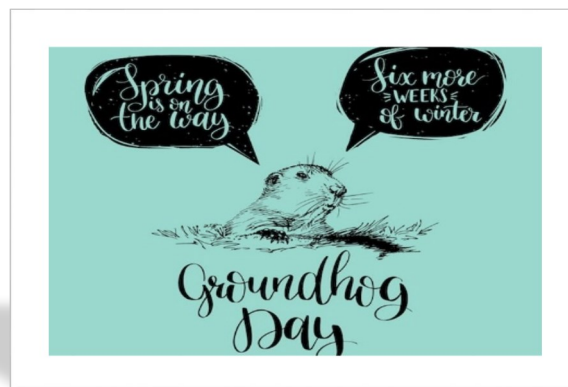

**What was the first penalty box called in hockey?**

**How many turns and twists are on a bobsled course?**

**How fast does a bobsled travel?**

**What is the smallest circle in a curling target called?**

If at any time you have questions, please do not hesitate to reach out. Let us all say a prayer that Punxsutawney Phil does not see his shadow, and spring will come sooner.

# January & July Birthday Breakfast

We had so much fun celebrating these students' birthdays!

January 6th marked Epiphany Day, which commemorates the visit of the Three Kings to the Christ Child. Father Guanella said a special blessing on our school and marked each classroom so all who enter and depart may enjoy God's Blessing.
