- Various other scholarships and grants

WISCONSIN PRIVATE SCHOOL CHOICE PROGRAM

ACS participates in this state program which allows:

- Qualifying students to attend Assumption Catholic Schools for FREE!
- Vouchers make a Catholic education available to more families.
- WPCP helps keep parish contributions lower.
- Special needs scholarship program.

ROYAL FUND CAMPAIGN

The most important way to show your support for your student's education is through a generous gift to the Royal Fund. This annual campaign is an essential portion of our operating expenses.

SCRIP PROGRAM

Buying through our Scrip program saves parents nearly \$100,000 in tuition investment each year. Scrip credit is free! This program is not limited to just parents... anyone can participate! Find out more by calling 715-422-0909.

ADDITIONAL BENEFITS OF ACS

An organized Royal Parents group provides additional means of communication between the parents and teachers, and also engages in fundraising activities to support school programs.

"For us, our school is more than just a school, it is a family. In a world that is becoming more negative, this family of faith and warmth is helping make a solid foundation for our children: a foundation that prepares their mind and, with God, prepares their spirit as well."

—Tricia Thomas

WHY ACS?

At Assumption Catholic Schools, we provide quality educational opportunities for all students.

As our mission says, our schools are “grounded in Catholic principles and tradition”.

With this mission, we strive to develop, within each student, respect, responsibility, and moral attitudes and behaviors: an awareness and appreciation of the diverse cultures in our learning community and our world; an ability to think critically and solve problems; and an ability to communicate effectively, appreciate and demonstrate creativity, thereby instilling a life-long desire to pursue knowledge.

“Assumption Catholic Schools truly have every child’s best interest at heart. We know when our kids leave our house they are going to a place that works hard to nurture their academic, emotional and spiritual well-being.”
—James & Nicole Dolan

DEDICATED & SUPPORTIVE

FAITH & COMMUNITY

ACADEMICS

Accredited by WRISA, ACS is recognized as a center of academic excellence. ACS is part of the Renaissance School of Excellence Program, and students in high school are offered the opportunity to enroll in college- credit and Advance Placement classes. Along with preparing students for college, ACS also prepares students for success in the military, technical school, career, and life.

INDIVIDUAL ATTENTION

Smaller class sizes make it possible for students to receive individual attention, allowing for accountability and great results. Our faculty and staff get to know each family and student personally, creating an environment where school and family work together fostering a community of learning.

EXTRA-CURRICULAR

ACS students have the opportunity to be involved in multiple extra-curriculars. Whether your student is interested in music, drama, athletics, clubs, or volunteer activities, there is always the opportunity to be involved.

ENVIRONMENT

All faiths are welcome! 15% of our students are non-Catholic. We are a community of academic excellence, Catholic in spirit and culture, nurturing integrity and respect for all.
