

2-02-2024

Dear OLQH Families,

Thank you to everyone who supported Catholic Schools Week through contributing items to our staff breakfast, shopping at our book fair, attending one of our family lunches, and praying with us at our ACS system Mass. Thank you for actively supporting Assumption Catholic Schools with your presence.

Did you know that attendance is one of the most important factors to school success? Students who attend school regularly have been shown to achieve at higher levels than students who do not have regular attendance. For all children, learning to attend school regularly can help them develop the skills of persistence and perseverance which can help them succeed in school and, ultimately, in life. Every day a student is absent from school is a lost opportunity for learning! As good attendance habits begin in the early grades, we appreciate you partnering with us in helping your child build the habit of good attendance.

May God surround you with His love today and always,
Ms. Shelley Bruley

"Come to me, all who are weary and burdened, and I will give you rest." - Matthew 11:28

Dates to Remember
