

2-09-2024

Dear OLQH Families,

The enrollment/re-enrollment process for Assumption Catholic Schools is underway. Our curriculum provides a Christ-centered learning environment using state and diocesan educational standards. Thank you to all who have chosen Assumption Catholic Schools. Please tell your friends and families about the wonderful academic, spiritual, and extracurricular opportunities our ACS schools offer.

Our virtue for the month of February is Love for Neighbor. Throughout the month, students will learn to follow the Golden Rule: Treat others the way you want to be treated. Students are also learning how showing respect, compassion, and kindness can strengthen their Love for Neighbor.

Have a blessed and lovely weekend.

Sincerely,  
Ms. Shelley Bruley

*"We love because He first loved us." - 1 John 4:19*

**Dates to Remember**

**FEBRUARY**

- 13 – NO CHILDREN’S MASS  
Valentines Day dress down day
- 14 – Ash Wednesday

## OLQH Music Beat

February 2024

January was a fun-filled month for music class. Throughout this month, students learned about Johann Sebastian Bach and explored his life and music. They learned about the pipe organ and that Bach was a virtuoso musician. We did some movement exercises to his music as well as play-alongs with instruments. The second graders got to watch the movie "Mr. Bach Comes to Call" and learned more about his life and music. Students learned that some of Bach's music is used in the hymns we sing in church! He was a very interesting composer to study!

This past month, the second graders explored playing on mallet instruments. We will do more with that in the coming months. They really enjoyed it! Recently we celebrated the 100<sup>th</sup> day of school. The second graders composed their own 100-beat rhythms and played them! They are getting better and better at reading and playing rhythms!

The first graders explored music through different tempos, made a class booklet of the song "Miss Lucy," and had their first class with centers. Through the centers, they matched words to rhythms, listened to Bach's "Jesu, Joy of Man's Desiring," and composed their own melodies on boomwhackers. We enjoy listening to each student's melody!

The kindergartners have been learning about telling stories through music. We've read "The Little Engine that Could" and talked about tempo. We also read the story "Sleeping Beauty" and sang along.

Throughout February, students will explore the music of Sergei Prokofiev. This is one of my favorite units to teach because they will get to listen to the music and story of "Peter and the Wolf!" This music is a wonderful example of theme in music and a great way to introduce the instruments of the orchestra.

# OLQH Awards

## 1ST GRADE

Hayden, Liam and Sophia are Math Masters.  
Sophia joined the 100 Book Club!

## 2ND GRADE

Remington, Maeve, Isaac, and Jonah read 100,000 words. Leighton read 200,000 words.  
Finley read 400,000 words. Lucy read 500,000 words. Romie read 600,000 words.
