### A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

February 16, 2024

Dear Royal Families,

Please continue to work on those math facts. We are mid-year and we still have students who need to be stronger in this area. It helps so much as we begin fractions and decimals. We all need to be ready for what's coming up in the next grade level.

February's virtue is Love Your Neighbor. The 3rd grade shared magnets of kindness on all the lockers and then gave an extra one to all students and staff to share with someone else.

Read Across America is coming! It is the first week of March. Stay tuned for our activities that week.

Enrollment season is upon us. Your enrollment now helps us to plan for our next year. Please take a moment to complete the enrollment on your FACTS account.

See you at Bingo this Sunday, February 18. Your presence is requested and needed. Let's have fun!

*Peace to you,  
Mrs. Fochs*
