### A BUILDING WITH FOUR WALLS AND TOMORROW INSIDE

February 23, 2024

Dear Royal Families,

The end of the hex is today and we begin a new one on Monday. Talk to your angel about the reading and math goals they reached...and didn't reach. Working through how to organize a school-sport-lessons-home balance can be hard at any age. Give them an expert hand.

Parent/Teacher Conferences are on March 5. Please sign up with the various teachers who are in your angel's life on a daily basis. Now is the time to get rolling for the rest of the year.

Be on the look out for all those library books. Students need to return those they have checked out before checking out anything new.

We will be ending each of our Lenten weeks with the Stations of the Cross. Please have the important conversations with your child about why we do the things we do before Easter.

Your enrollment now helps us to plan for our next year. Please take a moment to complete the enrollment on your FACTS account.

Thank you for showing up at Bingo last week. We made \$1100 for our 5th grade!

*Peace to you,  
Mrs. Fochs*
