

4/26/24

We have had a great week of learning here at OLQH and our students still have a lot of learning to do as we close out this school year. Below you will find some tips to help your children continue to put forth their best efforts.

- Lead by example. Avoid speaking negatively about school, homework, etc... in front of your children. Your positive attitude about school can help your children finish strong.
- Stick to your routines. Keep to your child's regular bedtime and continue to make time for homework and at-home reading.
- Communicate with your child's teachers. Having a good relationship with your child's teachers will improve their school experience.

Congratulations to Mrs. Rifleman and our students for a wonderful spring concert performance. Thank you for all the work you put into making this event so special! Many thanks to all who were able to attend and support our school community. We look forward to welcoming you back to future performances.

God's love be with you,
Ms. Shelley Bruley

"Christ Jesus who died—more than that, who was raised to life—is at the right hand of God and is also interceding for us." - Romans 8:34

Dates to Remember
