Our combined high school and middle school band and choir recently participated in their All-Conference Large Group Festivals. They were each judged by three judges for this event.

On April 11, the combined choir students traveled to Marshfield to participate in the Choir Large Group Festival. They received 2 first-class ratings and 1 second-class rating from their judges.

On April 18, the combined band traveled to Edgar to participate in the Band Large Group Festival. They received a first-class rating from each of their three judges. Congratulations to our band and choir students for their achievements at these competitions!
