Join us for a fun and lively game of Trivia as you compete against your friends. Upon arrival, by scanning the trivia game's unique QR code that will be displayed on the presentation screen — Team captains will login and join the game. Using their mobile device they will enter their team name. Only the team captain will be allowed to use their mobile device during game play.

All questions are multiple choice and will vary across a wide range of subjects and categories. Teams will have a limited amount of time to input their answer and automatic real-time updates and rankings will be shown on the presentation screen to show who's in the lead!

Can teams cheat? This live trivia game experience uses a points timer. Teams that answer questions correctly and the fastest, based on their mad trivia knowledge, are awarded the most points. If a team were to try and cheat by Googling an answer, they will most likely run out of time to input an answer and will not be awarded as many points for their answer. Additionally, each question may be answered only once, and teams cannot change their answer once input.

In addition to the 3 top teams winning prize money, all registered players will be automatically entered into our Trivia Raffle, with the chance to win multiple prizes throughout the event.

Free popcorn will be provided during game play and Concessions with delicious snack and dinner time options will be available for purchase. Volunteers will take concession orders and deliver to your table, so your game play is not interrupted.

Cost is \$20 for a team of up to 4 people. You can add additional team members over 4 people for \$5.00 each. It is recommend that teams consist of no more than 6 people.

Any other questions, please contact Matt Zakowski in the Adv Office at 715-422-0914 or mzakowski@assumptioncatholicschools.org
