Dear Assumption Catholic Schools Families,

Earlier this year the Wisconsin Rapids Public School had initiated a "Universal Late Start Monday" beginning with the 2024-25 school year. Essentially, what this means is that each school's start time for students will begin 45 minutes later on every Monday when school is scheduled throughout the entire school year. Late Start Mondays will provide our teachers with strong support and key professional development opportunities.

Due to the collaboration with our busing, ACS will be included in this endeavor.

Below you will find an example of a typical 45-minute Late Start Monday schedule. Additional details will be shared by your child(s) individual school by the end of summer.

**Please note:** Childcare fees will apply for those students using before care between the hours of 7-9 am.
